

# EXHIBIT A

## PART 3

## Deposition of Ava Slaughter, Volume 2, taken on June 14, 2006

26 (Pages 292 to 295)

<p style="text-align: right;">Page 292</p> <p>1 building --</p> <p>2 Q. Uh-huh.</p> <p>3 A. -- for those major problems --</p> <p>4 Q. Uh-huh.</p> <p>5 A. -- that would happen with the phone system.</p> <p>6 So, I mean, he didn't work directly for Jones Day in the</p> <p>7 sense that Jones Day did not pay him.</p> <p>8 Q. Uh-huh.</p> <p>9 A. But he was one of our vendors.</p> <p>10 Q. Okay. And Zachary Green never worked for Jones</p> <p>11 Day, did he?</p> <p>12 A. That's correct.</p> <p>13 Q. Okay. Brent Whittington. Who is he, and what</p> <p>14 does he know?</p> <p>15 A. Brent Whittington works for a company called, I</p> <p>16 believe, Telecom Express.</p> <p>17 Q. Uh-huh.</p> <p>18 A. And again, he's someone that I frequently</p> <p>19 communicated with as far as buying equipment and</p> <p>20 analyze -- or discussing our phone system and assessing</p> <p>21 needs.</p> <p>22 Q. Okay. Did he ever work for Jones Day?</p> <p>23 A. No.</p> <p>24 Q. Natalie Anton. Who is she?</p> <p>25 A. Natalie Anton is the former regional GIS</p>	<p style="text-align: right;">Page 294</p> <p>1 try to look at it this way. Now you can focus in on</p> <p>2 things or the responsibilities that they're actually</p> <p>3 paying you for. You have been doing the manager's job</p> <p>4 for a long time, and you have been underpaid during this</p> <p>5 time."</p> <p>6 And she was basically trying to console me</p> <p>7 and telling me that now Jerri can worry about all of</p> <p>8 those things that I had formally worried about. She</p> <p>9 said, "Let Jerri handle all that responsibility now."</p> <p>10 I told Sara that that was very hard to do,</p> <p>11 and she said she -- she really understood. She said,</p> <p>12 "Since you've been doing the job all this time."</p> <p>13 Q. Okay. And -- and you said that she told you</p> <p>14 that you'd been underpaid for a long time.</p> <p>15 A. That's what she said.</p> <p>16 Q. Did she know your salary?</p> <p>17 A. I assume that she did but she said that and</p> <p>18 I -- I think maybe because she's the regional manager</p> <p>19 and because of some budgetary types of issues, she</p> <p>20 probably had an idea.</p> <p>21 Q. But -- but you didn't report to her. She</p> <p>22 wasn't your supervisor.</p> <p>23 A. There was -- there was a reporting</p> <p>24 relationship.</p> <p>25 Q. But not a direct line?</p>
<p style="text-align: right;">Page 293</p> <p>1 manager.</p> <p>2 Q. And what does she know about this case?</p> <p>3 A. She knows nothing about the case.</p> <p>4 Q. What does she know about your experience or</p> <p>5 your position?</p> <p>6 A. She knows a lot about it, I would think. I</p> <p>7 mean, Natalie was one of the first individuals that I</p> <p>8 met with.</p> <p>9 Q. Uh-huh. Have you talked to her about this</p> <p>10 lawsuit?</p> <p>11 A. No.</p> <p>12 Q. Have you asked her to be a witness?</p> <p>13 A. No, I have not.</p> <p>14 Q. Okay. Sara White. What do you believe that</p> <p>15 Sara White knows about this lawsuit?</p> <p>16 A. I believe that -- or I -- Sara White possibly</p> <p>17 knows quite a bit.</p> <p>18 Q. What does she know?</p> <p>19 A. Sara met with me while she was here in Houston.</p> <p>20 Q. When was this?</p> <p>21 A. This was back in November of 2003. This was</p> <p>22 after my job was taken away from me, and Sara said that</p> <p>23 she wanted to meet with me one-on-one to talk to me</p> <p>24 about what happened. She went on to tell me that she</p> <p>25 was really sorry that this happened; and she said, "But</p>	<p style="text-align: right;">Page 295</p> <p>1 A. Correct.</p> <p>2 Q. Okay. What else -- is there anything else that</p> <p>3 she said during this conversation?</p> <p>4 A. Well, no. From what I recall, she had to -- to</p> <p>5 cut it short at that particular time; but she, as I</p> <p>6 said, mentioned that I was already doing the job, I had</p> <p>7 done the job, and I was underpaid and she felt really</p> <p>8 bad about what happened. And around that same time,</p> <p>9 Burt Holombek, someone else, walked in; and he kind of</p> <p>10 made a -- a little reference about it, too. So ...</p> <p>11 Q. Who is that?</p> <p>12 A. His name is Burt Holombek.</p> <p>13 Q. Can you spell that? H-o-l-l-e-n-b-e-c-k or</p> <p>14 a-c-k?</p> <p>15 A. Maybe H-o-l -- H-o-l-o-m-b-e-k, I think.</p> <p>16 Q. And what did he say?</p> <p>17 A. He walked in. I assume he heard some of what</p> <p>18 Sara had -- had said. And he told me, he said, "Well,</p> <p>19 Kevin did his thing, huh?" And he went on to say that</p> <p>20 the Houston office was so different in so many different</p> <p>21 ways and it was very inconsistent with the rest of the</p> <p>22 offices.</p> <p>23 Q. Now, what is Bret [sic] Holombek -- Holombek's</p> <p>24 title?</p> <p>25 A. GIS manager for the Dallas office.</p>

## Deposition of Ava Slaughter, Volume 2, taken on June 14, 2006

27 (Pages 296 to 299)

Page 296

1 Q. Do you know what, if any, working relationship  
2 he had with Kevin Richardson?

3 A. I'm not aware of any working relationship  
4 unother [sic] than, I would say, their -- the projects.  
5 You know. Burt had been in the Houston office to help  
6 out with a project or two.

7 Q. Okay. What's his race?

8 A. He's white.

9 Q. How do you know that?

10 A. He looks white.

11 Q. Did you ask him what did he mean by his  
12 statement, "Kevin did his thing"?

13 A. I did not have -- have time to -- to talk to  
14 him and quantify or get -- get an explanation. At the  
15 time, I was under serious distress. So I think that  
16 conversation just led me to tears. So I -- I couldn't  
17 talk to him.

18 Q. Kelly Beecher. Who is she?

19 A. Kelly Beecher's a male. And --

20 Q. Who is he?

21 A. He -- he is the GIS manager for Menlo Park.

22 Q. Okay. And what does he know?

23 A. What does he know?

24 MR. PADGETT: I'm going to object to the  
25 form of that question. If you could maybe be a little

Page 298

1 knowledge in this case?

2 A. Because Mr. Gaskill is aware of his own  
3 distribution list, which was in the system; and it was a  
4 distribution list of all of the GIS managers for North  
5 America. And so he is aware because it was his list  
6 that I was the first person listed in his own list of  
7 managers.

8 Q. Laurie Bounds. What does she know?

9 A. Laurie Bounds is someone who assisted with the  
10 move. She's -- she works in the Dallas office in the HR  
11 department. She's aware of my -- my resume, my  
12 experience.

13 Q. How is she aware of your resume and your  
14 experience?

15 A. Because she collected all of the resumes when  
16 the merger took place.

17 Q. Okay. David Lovell. Lovell, L-o-v-e-l-l?

18 A. Yes. Uh-huh.

19 Q. Who is he?

20 A. He is the former -- excuse me -- the former  
21 technology director.

22 Q. And what does he know about this lawsuit or  
23 your claims?

24 A. He knows nothing about the lawsuit. He knows  
25 that I was the ISS manager.

Page 297

1 more --

2 MS. CLARK: Okay.

3 MR. PADGETT: -- specific.

4 Q. (By Ms. Clark) What does he know about this  
5 lawsuit? He's identified as a person with knowledge.  
6 What does he know about this lawsuit?

7 A. He knows nothing about the lawsuit.

8 Q. What does he know about your position or your  
9 experience?

10 A. He knows quite a bit about that.

11 Q. What -- what does he know about it?

12 A. Specifically, Kelly Beecher assisted with some  
13 of the transitional issues as it relates to the merger  
14 of the Bayco Gibson and Jones Day infrastructure. So he  
15 worked very closely with me early on to assist with some  
16 of that. So Kelly has personal knowledge of my work and  
17 of me; and Kelly Beecher back in January of 2001 sent an  
18 e-mail to -- I believe it was Carol Monteith -- stating  
19 that, "Ava Slaughter is the ISS manager for the Houston  
20 office, as well as the whole of the ISS staff. So as  
21 you can assume, she is extremely busy." So --

22 Q. Okay.

23 A. -- that's what he knows.

24 Q. And I think you testified about William  
25 Gaskill, but why have you listed him as a person with

Page 299

1 Q. George Cazdick?

2 A. Gazdick.

3 Q. Gazdick. What does he know?

4 MR. PADGETT: Again, I'm going to have --

5 Q. (By Ms. Clark) About the -- about the lawsuit  
6 and your -- the claims you're making in this lawsuit.

7 A. George Gazdick knows nothing about the lawsuit.  
8 As far as the claims, he -- he knows that I was the  
9 manager for the Houston office; and additionally, he  
10 can -- he can verify many of the responsibilities that I  
11 had as the manager.

12 Q. Okay. He's listed as CIO of Squires, Sanders &  
13 Dempsey. Is that a law firm?

14 A. I believe so.

15 Q. He's no longer with Jones Day, I take it?

16 A. That is correct.

17 Q. How does he know you were the manager?

18 A. Because I participated in the manager meetings.  
19 George was someone -- he was over -- at the time, he  
20 was -- he was Natalie's manager.

21 Q. Okay.

22 A. And Sara's manager. And --

23 Q. I'm sorry. Go ahead. And who else?

24 A. And therefore, he -- he's aware of my function  
25 within the office.

## Deposition of Ava Slaughter, Volume 2, taken on June 14, 2006

28 (Pages 300 to 303)

Page 300

1 Q. Okay. When was the last time you spoke with  
2 him?  
3 A. When he left the firm.  
4 Q. Okay. How did you know his current address?  
5 A. Because he provided that --  
6 Q. -- when he left?  
7 A. -- via e-mail when he left.  
8 Q. Carrie Heinzman. Who is she?  
9 A. Carrie Heinzman is the former -- the former  
10 help desk supervisor.  
11 Q. In which office?  
12 A. In the Cleveland office.  
13 Q. And what does she know about this lawsuit or  
14 about the allegations or claims you're making in this  
15 lawsuit?  
16 A. Carrie Heinzman knows nothing about the  
17 lawsuit. She knows that I was the manager of the  
18 Houston office.  
19 Q. And how does she know that?  
20 A. Because I was introduced to her as the manager  
21 and in her own documentation.  
22 Q. Who introduced you as the manager?  
23 A. Natalie Anton.  
24 Q. Have you -- when was the last time you spoke  
25 with Carrie Heinzman?

Page 301

1 A. Years.  
2 Q. Okay. Who is Evelyn Leblois?  
3 A. I believe that's how you pronounce it, yeah.  
4 Evelyn is the former ISS GIS manager for the Brussels  
5 office.  
6 Q. Uh-huh. Where does she work now?  
7 A. I don't know.  
8 Q. Why is she listed as a person with knowledge?  
9 A. Because Evelyn can verify the fact that I was  
10 the manager for the Houston office. We frequently  
11 communicated as a peer regarding work projects that she  
12 had --  
13 Q. Uh-huh.  
14 A. -- projects that I had. She worked in an  
15 office with a single person, as well; and she was the  
16 manager of the Brussels office. And she's also aware of  
17 some of the issues and concerns that I had in the  
18 office.  
19 Q. Sue Klingsmith.  
20 A. Yes.  
21 Q. Who is she?  
22 A. She's the former financial administrator, I  
23 believe.  
24 Q. Of which office?  
25 A. Of the Cleveland office.

Page 302

1 Q. Why is she listed as a person with knowledge?  
2 A. Because again, Sue is aware that I was manager  
3 of the Houston office; and she's familiar with the  
4 budgets. She was responsible for sending out budget  
5 reports and that sort of thing. And so she can verify  
6 the fact that I responded to those requests and that I  
7 handled from a technology perspective many aspects of  
8 the budget in Houston. The same as other managers in  
9 other offices.  
10 Q. When did she leave?  
11 A. I don't remember exactly. I think it was  
12 probably in 2003, 2004.  
13 Q. When did Ms. Leblois leave?  
14 A. I believe she left in 2005.  
15 Q. Have you spoken to either Ms. Leblois or  
16 Ms. Klingsmith?  
17 A. No, I have not.  
18 Q. What are you looking for in this lawsuit?  
19 A. What am I looking for?  
20 Q. Yes. What do you want from this lawsuit?  
21 A. I want my job back. I want to be treated  
22 fairly. I want to be treated equal to the other  
23 managers. My job was taken away from me. I want my job  
24 back.  
25 Q. Is that it?

Page 303

1 A. Is that it?  
2 Q. Yes.  
3 A. That's all I can think of right now.  
4 Q. Okay. What -- what is the fee arrangement you  
5 have with your attorney? Have you provide -- I'm not  
6 asking you to tell me what you've talked about. Have  
7 you provided a retainer?  
8 MR. PADGETT: Actually, you kind of are.  
9 And so unless that question is rephrased or if you can  
10 give her a little bit more notion of what you're looking  
11 for, I'm going to have to object to it just because it's  
12 so broad that it really would encompass potentially  
13 attorney-client privilege matters.  
14 MS. CLARK: No, it wouldn't get into that.  
15 Q. (By Ms. Clark) Okay. Have you paid to your  
16 attorney a retainer to represent you in this case?  
17 A. I want you to be aware that I had a previous  
18 attorney.  
19 Q. Okay.  
20 A. Which I did pay a retainer for.  
21 Q. And how much was that retainer?  
22 A. I -- I don't really remember. Couple of  
23 thousand dollars.  
24 Q. Okay. Did you receive a refund?  
25 A. No, I did not.

## Deposition of Ava Slaughter, Volume 2, taken on June 14, 2006

29 (Pages 304 to 307)

Page 304

1 Q. Okay. Now --  
 2 **A. I mean, that was just the retainer. I mean,**  
 3 **I've paid him more than that.**  
 4 Q. Okay. Well, how much did you pay that lawyer?  
 5 **A. Approximately five, \$6,000.**  
 6 Q. Okay. And did you -- do you have another  
 7 retainer with this -- your current attorney?  
 8 **A. We have a fee arrangement in place.**  
 9 Q. And -- and what is that fee arrangement? A  
 10 percentage of any recovery that you may receive?  
 11 **A. I'd have to look at the -- the documentation.**  
 12 **I just don't -- don't remember exactly what it was.**  
 13 Q. As you sit here today, you don't know the fee  
 14 arrangement.  
 15 **A. No.**  
 16 Q. Okay. I'm not certain I under -- did you pay a  
 17 retainer, or you've not paid a retainer to this --  
 18 **A. No. I did not have to pay a retainer.**  
 19 Q. Okay.  
 20 **A. Okay.**  
 21 Q. Do you participate in any 401(k) plan at the  
 22 firm?  
 23 **A. Yes, I do.**  
 24 Q. Okay. Has the amount that you contribute  
 25 changed since 2003?

Page 305

1 **A. I think I've put -- I -- I have the same**  
 2 **percentage that I've had all along; but, of course,**  
 3 **it -- it's changed somewhat because of salary.**  
 4 Q. You've not earned -- how has it changed in  
 5 terms of salary?  
 6 **A. In 2004 I received an increase.**  
 7 Q. Okay. And so then your contribution increased.  
 8 **A. Exactly.**  
 9 Q. Okay.  
 10 **A. But the percentage is the same.**  
 11 Q. I understand.  
 12 Before 2003 were you paid on -- were you  
 13 paid overtime for any hours worked over 40 in any given  
 14 workweek?  
 15 **A. I was paid overtime for hours worked -- for any**  
 16 **hours worked 37 1/2.**  
 17 Q. But you did receive overtime.  
 18 **A. That is correct.**  
 19 Q. And since -- and then after Jerri Del Riesgo  
 20 was placed in the manager position, did you continue  
 21 to -- to have the opportunity to earn overtime for any  
 22 hours worked over 37 1/2?  
 23 **A. Would you please rephrase the question?**  
 24 Q. Sure. You were eligible and received overtime  
 25 payments -- overtime -- overtime compensation before

Page 306

1 Jerri was placed in the GIS manager position in October,  
 2 2003, correct?  
 3 **A. Correct.**  
 4 Q. And nothing changed after she was put in the  
 5 GIS manager position. You still were able to earn  
 6 overtime compensation for any hours worked over 37 1/2  
 7 in any given workweek.  
 8 **A. That is correct.**  
 9 Q. Okay. Do you know whether or not as the GIS  
 10 manager Jerri Del Riesgo was eligible to receive  
 11 overtime compensation for any hours worked over 37 1/2?  
 12 **A. I don't know.**  
 13 Q. Since you've been employed at or by Jones Day,  
 14 you've never been paid as an exempt employee, have you?  
 15 **A. No, I have not.**  
 16 Q. You've received overtime throughout your tenure  
 17 with Jones Day whenever you worked over 37 1/2 hours.  
 18 **A. That is correct.**  
 19 MS. CLARK: Can we go off the record for  
 20 five, ten minutes?  
 21 THE VIDEOGRAPHER: Going off the record.  
 22 The time is 2:01.  
 23 (Recess from 2:01 p.m. to 2:14 p.m.)  
 24 THE VIDEOGRAPHER: Going back on the  
 25 record. The time is 2:14.

Page 307

1 Q. (By Ms. Clark) Ms. Slaughter, do you know  
 2 whether any of the other GIS managers were paid on an  
 3 hourly basis or were treated as exempt employees?  
 4 **A. I don't know.**  
 5 Q. I'm going to show you a copy -- a section of  
 6 the Jones Day handbook. And I'm going to ask you to  
 7 take a minute to review Section B, "Networks and  
 8 Information Systems."  
 9 **A. Okay.**  
 10 MR. PADGETT: Are we marking this as an  
 11 exhibit?  
 12 MS. CLARK: Well, I'm going to give her a  
 13 chance to review it first. Then I'll determine. It's  
 14 pretty long. We may need to go off the record.  
 15 MR. PADGETT: Are these more of the  
 16 documents that I have? I mean, I --  
 17 MS. CLARK: You.  
 18 MR. PADGETT: I know that you say that you  
 19 produced it to me, but I don't have -- what I have  
 20 produced to me so far are documents Bates stamped 1  
 21 through 177 and 178 through 431. In my review of the  
 22 documents, I have not seen those; and I -- I apologize.  
 23 I'm just trying to -- I just want to make sure the  
 24 record is clear. Are these documents that you say that  
 25 you produced to me but they're just not Bates stamped,

## Deposition of Ava Slaughter, Volume 2, taken on June 14, 2006

30 (Pages 308 to 311)

<p style="text-align: right;">Page 308</p> <p>1 or are they documents that you're just now producing to 2 me?</p> <p>3 MS. CLARK: I believe the documents have 4 been produced to you.</p> <p>5 MR. PADGETT: Okay.</p> <p>6 MS. CLARK: I'll definitely double-check to 7 make sure that they have, and I appreciate the documents 8 that you produced to me on the morning of her first 9 deposition and this morning. But if you don't have 10 them, I'll make sure that you do. It's a copy of the 11 handbook that --</p> <p>12 MR. PADGETT: Okay.</p> <p>13 MS. CLARK: -- she acknowledged in the last 14 deposition.</p> <p>15 MR. PADGETT: That's fine.</p> <p>16 MS. CLARK: But if you don't have it, I'll 17 make sure you have it.</p> <p>18 MR. PADGETT: Okay.</p> <p>19 MS. CLARK: But I -- but this copy is my 20 copy and it's not Bates labeled, but I'll make sure that 21 you have it if you don't have it. But I believe you do.</p> <p>22 MR. PADGETT: That's fine.</p> <p>23 MS. CLARK: That's Pages 92 and 93 of the 24 handbook. Let's go off the record so we're not -- 25 THE VIDEOGRAPHER: Going off the record.</p>	<p style="text-align: right;">Page 310</p> <p>1 to mark it, I'll mark it. And if not, I won't, but --</p> <p>2 MR. PADGETT: Then I further object to the 3 form of the question.</p> <p>4 MS. CLARK: Okay. That's fine.</p> <p>5 Q. (By Ms. Clark) You may answer the question.</p> <p>6 <b>A. Would you please rephrase the question?</b></p> <p>7 Q. Sure. You testified earlier that you knew you 8 were the GIS manager at Jones Day Houston's -- Houston 9 office, correct?</p> <p>10 <b>A. Correct.</b></p> <p>11 Q. Okay. Do you believe that the policies and 12 procedures of the firm apply to you in your role as 13 manager GIS?</p> <p>14 <b>A. Firm procedures apply to all firm employees.</b></p> <p>15 Q. Okay. Including yourself.</p> <p>16 <b>A. Correct.</b></p> <p>17 Q. Okay. Now, I'm asking you -- when you've had 18 an opportunity an opportunity to review Section B that's 19 found on Pages 92 and 93 of the manual, I'm asking you 20 to explain to me: What does this section mean to you in 21 your role as GIS manager?</p> <p>22 <b>A. That it was up to me to maintain the integrity 23 of the system.</b></p> <p>24 Q. Okay. And when you say "the integrity of the 25 system," what do you mean by that?</p>
<p style="text-align: right;">Page 309</p> <p>1 The time is 2:18.</p> <p>2 (Recess from 2:18 p.m. to 2:25 p.m.)</p> <p>3 THE VIDEOGRAPHER: Going back on the 4 record. The time is 2:25.</p> <p>5 MS. CLARK: I forget about that.</p> <p>6 Q. (By Ms. Clark) Ms. Slaughter, have you had a 7 an opportunity to review Pages 92 and 93 of the firm and 8 office manual?</p> <p>9 <b>A. Yes, I have.</b></p> <p>10 Q. Okay. Now, what is your understanding of 11 Section B, "Networks and Information System," in 12 connection with your role either as, as you state, the 13 GIS manager or the technology support specialist?</p> <p>14 MR. PADGETT: I am going to have to 15 object --</p> <p>16 <b>A. I --</b></p> <p>17 MR. PADGETT: -- to the form of the 18 question.</p> <p>19 MS. CLARK: Okay.</p> <p>20 Q. (By Ms. Clark) You can still answer.</p> <p>21 MR. PADGETT: And also ask if we're going 22 to refer to a document, could we have it marked as an 23 exhibit?</p> <p>24 MS. CLARK: I'm -- I'm referring -- I'm 25 asking her questions about this document; and if I want</p>	<p style="text-align: right;">Page 311</p> <p>1 <b>A. It specifically talks about communication, 2 written and verbal communications, within the firm. And 3 it discusses a retention policy --</b></p> <p>4 Q. Uh-huh.</p> <p>5 <b>A. -- of e-mail messages, and it also goes on to 6 talk about -- I mean, this -- this is a lengthy 7 document. Goes on to talk about how firm e-mail should 8 not be a place to harass people or to send sexually 9 explicit messages.</b></p> <p>10 Q. Or any other inappropriate usage, correct?</p> <p>11 <b>A. That is correct.</b></p> <p>12 Q. And -- and do you agree that the policy 13 basically identifies -- or basically advises that there 14 are certain uses of the firm's property, its network or 15 the information systems or the computer software or 16 hardware, where that could be used for inappropriate 17 purposes?</p> <p>18 MR. PADGETT: Objection to the form of the 19 question.</p> <p>20 <b>A. Could you rephrase the question?</b></p> <p>21 Q. (By Ms. Clark) Sure. Do you agree that 22 Section B, "Networks and Information Systems," discusses 23 inappropriate use of the firm's property?</p> <p>24 <b>A. Section B talks about appropriate use of the 25 firm's network.</b></p>

## Deposition of Ava Slaughter, Volume 2, taken on June 14, 2006

31 (Pages 312 to 315)

Page 312

1 Q. And inappropriate use, as well.

2 A. Exactly.

3 Q. Okay. It states that you may not -- an  
4 employee may not use the firm's network or information  
5 systems for inappropriate harassment, correct?

6 A. It does say that.

7 Q. Okay. You may not use the computers or e-mail  
8 system for commercial messages of any kind, correct?

9 A. It does say that.

10 Q. Chain letters, solicitations, or gambling. You  
11 can't use the firm's information systems or its network  
12 for that, correct?

13 A. The firm prohibits the use of those things.

14 Q. And it also prohibits what the firm describes  
15 as "other inappropriate usage," doesn't it?

16 A. It talks about political, religious, gambling.

17 Q. And what else? And what -- and what's the last  
18 clause of that sentence?

19 A. Says "or other inappropriate usage."

20 Q. Okay. Do you believe the firm considers an  
21 employee's accessing and removing firm documents without  
22 permission to be appropriate or inappropriate usage --

23 MR. PADGETT: Object to the form of the  
24 question.

25 Q. (By Ms. Clark) -- of the system? You can

Page 314

1 If -- if you're referring to what's been  
2 marked as Exhibit 20, I want to know if -- if these  
3 questions are referring to that document, then I think  
4 what we need to have is a statement from counsel or from  
5 someone that this letter of hardship is actually a firm  
6 document. It appears to me that this document may  
7 actually be a violation of the policy by using firm  
8 resources for personal matters, which is also contained  
9 in Page 92 and 93. And so if you're asking  
10 Ms. Slaughter about a document that's inappropriately in  
11 your system and asking whether or not this -- this  
12 document that you've made such a big deal out of has --  
13 was actually a firm document, that's what I need to  
14 know. If it's a firm document, then ask your questions.  
15 That's fine. But the reference right now does not  
16 appear to be -- does not appear to be a firm document in  
17 any way, shape, or form.

18 MS. CLARK: And -- and you're -- and I want  
19 to make sure you're instructing her not to answer based  
20 on that objection so that we can move on.

21 MR. PADGETT: I'm instructing her not to  
22 answer until your -- your question becomes clear.  
23 Because at this point in time, it does not -- it -- it's  
24 making some sort of reference to some document  
25 somewhere; but you're -- you're not being very clear

Page 313

1 answer.

2 A. Would you please rephrase the question?

3 Q. Oh, sure. Do you believe that the firm, Jones  
4 Day, would consider an employee's actions in removing  
5 accessing information without permission and removing  
6 documents from the firm without permission to be  
7 appropriate or inappropriate usage of the firm's system  
8 or property?

9 A. When you say "accessing information" --

10 Q. -- without permission.

11 A. Okay. I'd like for you to clarify what you  
12 mean by that.

13 Q. Retrieving documents from the system, reviewing  
14 documents from the system that you did not have the  
15 authority or permission to retrieve or review.

16 MR. PADGETT: Okay. I'm -- I'm going to  
17 object to this, and I'm going to instruct her not to  
18 answer that question. And here's the reason why.

19 MS. CLARK: I don't -- did I -- I don't  
20 need to know the reason. If you --

21 MR. PADGETT: Okay. Well --

22 MS. CLARK: We'll certify.

23 MR. PADGETT: -- I do want to make it clear  
24 what I'm talking about here; and -- and if you'll give  
25 me just a moment. I've been very patient I think.

Page 315

1 about what documents it is that you're referring to.  
2 And so if -- I know that we've had some discussion about  
3 this Exhibit 20 before; and if that's what we're talking  
4 about, then -- then I -- you know, then I think that's  
5 appropriate for her to ask -- or answer the question.  
6 But otherwise, it's just too confusing.

7 MS. CLARK: And so you -- I just want to  
8 make sure because I want to certify the question. You  
9 are --

10 MR. PADGETT: You can certify the question.

11 MS. CLARK: You -- you are --

12 MR. PADGETT: I'm entitled -- I'm  
13 entitled --

14 MS. CLARK: You are. And I just want to  
15 make sure you are instructing her not to answer the  
16 question because in your opinion, the question is  
17 confusing. Although that -- that objection goes to  
18 form, you are --

19 MR. PADGETT: Well --

20 MS. CLARK: -- in fact, instructing her not  
21 to answer the question.

22 MR. PADGETT: Well, I am permitted that if  
23 a question is so confusing that an answer would not  
24 enlighten anyone or if the question is phrased in such  
25 way as to be sort of the, "Have you stopped beating your

## Deposition of Ava Slaughter, Volume 2, taken on June 14, 2006

32 (Pages 316 to 319)

Page 316

1 wife yet?" question, then I'm entitled to tell her that  
 2 I don't believe that it's appropriate for her to answer  
 3 the question and we can go take it up with Judge --  
 4 Judge Lake.  
 5 MS. CLARK: Yeah.  
 6 MR. PADGETT: But, I mean, in addition I'm  
 7 requesting -- and we can do this off the record if you  
 8 like --  
 9 MS. CLARK: No. We want --  
 10 MR. PADGETT: -- but some sort of --  
 11 MS. CLARK: -- to do it on the record.  
 12 MR. PADGETT: -- some sort of clarification  
 13 about what we're talking about here.  
 14 MS. CLARK: Well, then --  
 15 MR. PADGETT: Am I --  
 16 MS. CLARK: I --  
 17 MR. PADGETT: -- coming through okay?  
 18 MS. CLARK: I will -- I will repeat --  
 19 MR. PADGETT: Am I?  
 20 THE VIDEOGRAPHER: Your voice is stronger.  
 21 MR. PADGETT: Okay.  
 22 MS. CLARK: I will repeat my question, and  
 23 then --  
 24 MR. PADGETT: Okay.  
 25 MS. CLARK: -- you can instruct her not to

Page 317

1 answer. But I -- but I'm not going to offer any  
 2 additional clarification. I'm not going to allow you to  
 3 essentially run the deposition. If you want to ask her  
 4 questions, you have the right to.  
 5 Q. (By Ms. Clark) But I'll repeat the question,  
 6 and I'll then allow your counsel an opportunity to  
 7 instruct you whether or not you may answer the question.  
 8 But my question to you is whether or not  
 9 you believe that an employee inappropriately accessing  
 10 the firm's network or documents and -- without  
 11 permission and/or removing documents from the firm  
 12 without permission to be appropriate or inappropriate.  
 13 MR. PADGETT: My only objection -- I object  
 14 to the form of that question.  
 15 MS. CLARK: Okay.  
 16 Q. (By Ms. Clark) You may answer the question.  
 17 A. I'm going to rephrase the question.  
 18 Q. And I'm going to ask -- you -- I'll rephrase  
 19 the question if you need me to clarify it, but I'm  
 20 asking you simply whether or not you believe an employee  
 21 removing firm documents or accessing the firm's network  
 22 or documents without permission to be appropriate or  
 23 inappropriate.  
 24 MR. PADGETT: And again, I'm going to have  
 25 to object to the form of the question.

Page 318

1 MS. CLARK: That's fine.  
 2 A. If someone hacked the system to obtain  
 3 documents, that would not be appropriate. That's my  
 4 answer.  
 5 MS. CLARK: Move to strike as  
 6 nonresponsive.  
 7 Q. (By Ms. Clark) I'm not asking you about  
 8 whether a person hacked into the system or not. The  
 9 question is simply: Do you believe an employee  
 10 accessing the network or documents and/or removing  
 11 documents from Jones Day without permission to be  
 12 appropriate or inappropriate?  
 13 A. Those are two separate questions.  
 14 Q. Okay. Well, let's take one at a time, then,  
 15 if -- if that will make it easier for you to answer.  
 16 Do you believe that an employee removing  
 17 documents from Jones Day without permission to be  
 18 appropriate or inappropriate?  
 19 A. Removing documents that were laying around.  
 20 I'm just trying to get clarification.  
 21 Q. I want to make sure I'm clear.  
 22 A. Okay.  
 23 Q. I'm referencing Jones Day documents.  
 24 A. Like a pleading?  
 25 Q. Jones -- I'm not going to -- I'm not going to

Page 319

1 qualify that.  
 2 A. Okay.  
 3 Q. And -- and the question is simply: Do you  
 4 believe it is appropriate or inappropriate for an  
 5 employee to take Jones Day documents, to remove them  
 6 from the firm, without permission?  
 7 A. As it relates to litigation, if there is a  
 8 document in my area -- I sit in a cubicle, an open area.  
 9 If there is a document there that pertains to  
 10 litigation, I don't feel that that's inappropriate.  
 11 Q. To remove those documents. To remove --  
 12 A. As it relates --  
 13 Q. -- those documents?  
 14 A. It specifically says in the documentation all  
 15 documents are retrievable and discoverable in  
 16 litigation.  
 17 MS. CLARK: That's all I have.  
 18 I'll pass the witness.  
 19 MR. PADGETT: We'll reserve our questions  
 20 till time of trial.  
 21 THE VIDEOGRAPHER: Going off the record.  
 22 The time is 2:38.  
 23 This ends this deposition with Tape 2 of 2.  
 24 (Slaughter Exhibit No. 25 was marked.)  
 25 (Deposition concluded at 2:38 p.m.)

To: David L. Williams - Director, Human Resources

Re: Discrimination Complaint  
Jones Day (Houston Office)

Thank you for taking the time to confer with me by telephone last week in response to my complaint regarding discrimination in the Jones Day Houston Office. At your request, I am briefly summarizing the events leading to my decision to contact you.

As I stated, just a few weeks ago Kevin Richardson, the Office Administrator, called me into his office to advise that the decision had been made to hire a GIS Manager. At that time I was not encouraged to apply for the position. I asked Mr. Richardson if I could see a job description. He informed me that I could obtain the job description from Stacey Brown in Human Resources. This came as quite a shock, as it was my understanding that I was the Houston GIS Manager, and had acted in that capacity since the Jones Day/Bayko Gibson merger three years ago. At the time of my meeting with Mr. Richardson, I attempted to clarify what my position would be in these changed circumstances, and Mr. Richardson advised that my position would not change, that I would be performing the same duties—in effect my job would not change. The job opening was published in the Houston Weekly Bulletin on September 19, 2003.

It was my feeling that I was being forced to apply for a job that I already had, and it was demeaning to be placed in such a position. Nevertheless, I went through the process, interviewing with Partners in the Houston Office on October 8 and 9, and on October 21 was notified by Hugh Whiting, the Partner-in-Charge, that I was not the successful candidate. He stated that Jerri Delriesgo from the Columbus Office had been offered and accepted the position. I was shocked and extremely disappointed. I asked Mr. Whiting about the selection process, inquiring as to why Ms. Delriesgo was selected over me. Mr. Whiting's response was that a major part of their decision was based upon her tenure with Jones Day, adding that she had worked for Jones Day for more than ten years. He also stated that a major part of the decision was based upon "her connections within the Firm."

On October 22, Mr. Richardson assured me that the GIS Manager position was completely new and that my current position as Technology Support Specialist would stay intact. However, I have since been instructed to hand over my Blackberry and have observed several changes in the GIS Manager Distribution Lists. I feel that my race was a factor in the decision to place me in this subordinate position.

Stacey Brown in Human Resources has advised that you will be visiting the Houston Office on November 14 and 17 to meet with certain Jones Day employees. I personally look forward to meeting with you at that time and I would like for this matter to be investigated to the fullest extent. As mentioned in our telephone conversation, there appears to be inconsistent personnel practices in the Houston Office. I will be glad to discuss more information relative to this concern with you in person during your visit.

### Job Posting

**Job Title:** Global Information Services (GIS) Manager

**Hours:** 8:30 a.m. - 5:00 p.m.  
Evenings and weekends as required

General responsibilities include providing technical and operational oversight and support of Office computer systems and equipment. The GIS Manager is expected to work closely with Office Management and Firm GIS on Office and/or technology initiatives, maintain expertise in the tasks and services provided by the GIS Department, and work on, as well as delegate tasks assigned to the Department.

Candidate must possess excellent communication and interpersonal skills, as well as a commitment to providing superior service to clients, lawyers and staff. Further, the candidate should possess proven organizational and leadership skills, the ability to effectively prioritize competing service demands, the capacity to produce quality work products, and foster an atmosphere of teamwork and continuous improvement.

### Educational/Job Experience Requirements:

- Four-year college degree, or equivalent work experience
- 5 years experience in a computer-related field, or 3 years experience in a law firm Information

Weekly Bulletin - Jones Day Houston September 19, 2003

Services Department.

Educational/Job Experience Preferred but not required

- Previous supervisory experience

**Job Title:** Legal Secretary

**Hours:** 8:30 am - 5:00 pm  
Overtime as required

Primary responsibilities include providing secretarial and administrative support to attorneys and legal assistants, including typing, filing, answering phones, making travel arrangements, and other duties as required. Candidate must possess excellent organizational, communication and interpersonal skills, as well as a commitment to providing superior service to clients and producing quality work products.

Education/Experience Requirements

High School Diploma or equivalent; legal secretarial experience; specialized secretarial degree, associate and/or bachelor's degree desirable, but not required.

A detailed job description is available on request. Interested parties should contact Stacey Brown at 3-3733.

**JONES DAY  
HOUSTON OFFICE**

**JOB DESCRIPTION**

**Job Title:** Technology Support Specialist    **FLSA Status:** Non-Exempt  
**Department:** Technology Support Services    **Reports To:** TSS Manager  
**Schedule:** 8:30 am - 5:00 pm, M-F, unless otherwise approved  
Overtime as required

**General Summary:** Under immediate supervision and direction of the TSS Manager, and following prescribed departmental, Office and Firm procedures, the Technology Support Specialist is responsible for the technical and operational support of personal computer based hardware and software and for the technical and operational support of the local area network components. The Technology Support Specialist is expected to perform all job duties with a commitment to providing superior service to clients, producing quality work products, and maintaining an atmosphere of teamwork and continuous improvement. Above all, the Technology Support Specialist must fulfill the needs of the Office in a manner that is consistent with the Firm's visions and values.

**Essential Duties and Responsibilities** (duties are performed throughout every work day, as necessary) :

- Apply a highly-developed and practical knowledge of PC hardware architecture and applications, including operating systems, batch files, and a variety of PC operating management and application software and PC connectivity software; troubleshoot both PCs and printers to the defective component; and to exchange defective and inoperable components.
- Telephone system administration of localized configuration elements, and the execution of physical Move, Add & Change (MAC) procedures.
- Assemble and place PC's, printers and other computer-related equipment.
- Maintain equipment and software inventories and departmental records.
- Assist technology users in the proper use of hardware and software.
- Arrange for equipment maintenance including vendor repairs, depot repairs and preparation of departmental records.
- Approve invoices regarding the same.
- Assist with various LAN administration functions.

- Maintain backup tapes in accordance with the Firm's operational procedures.
- Assist with developing and maintaining documentation for PC-based applications.
- Assist with troubleshooting printer relationships, font control and printers.

**Other Duties** (duties are performed periodically, as necessary):

- Assist with general department coverage in the absence of other department staff.
- Assist with the integration of specialized application for small team and/or individual needs.
- Properly and appropriately promote the Firm's technology initiatives.
- Maintain contracts and licensing agreements for products and/or services not covered under Firm-wide programs. Coordinate associated service providers.
- Prepare for and handle planned growth with appropriate technology-related initiatives and expansions, and associated budgetary allocations.

**Essential Knowledge, Skills and Abilities:**

- A thorough, practical knowledge of PC hardware and software and the ability to troubleshoot problems relating thereto.
- Knowledge of major PC-based software packages, including PC operating systems, word processing editors, graphical user interfaces, graphics programs, spreadsheet programs, and telecommunications software.
- Practical working knowledge of local area network technologies.
- Ability to read, write and speak English.
- Excellent written and oral communication skills, including grammar, spelling and punctuation.
- Ability to read, comprehend and follow instructions.
- Thorough knowledge of Firm's computer-based work processing software.
- Thorough knowledge of Firm's e-mail system.
- Proficiency with advanced telephone functions, including conference calling and voicemail.

- Excellent record-keeping skills.
- Proficiency on office equipment used on a regular basis including computers, printers, copy machines, facsimile machines, telephones and transcription machines.
- Ability to work independently, take initiative, set priorities and see projects through completion.
- Ability to meet deadlines and respond to changing priorities.
- Ability to handle many tasks simultaneously.
- Ability to work with a wide range of people in a team setting.
- Ability to establish effective working relationships within the department, office and Firm.
- Ability to establish effective working relationships with clients, vendors and others outside the Firm.
- Strong service orientation.
- Commitment to the Office and Firm.
- Commitment to professional growth.

**Physical Requirements:**

- See.
- Hear.
- Speak.
- Crouch.
- Bend and twist at the waist.
- Walk.
- Ability to lift 40 pounds, often repeatedly.
- Ability to push or pull a loaded cart weighing 60 pounds.
- Duties performed may be in aisles, open areas and compact rooms.
- Duties are performed using repetitive finger, hand and arm movements.

- Duties require fine manipulation (typing).
- Duties require simply grasping (files, documents, telephone, writing instruments).
- Duties may require combinations of the above movements.

**Educational/Job Experience Requirements:**

- Four year College degree, or equivalent work experience.
- Minimum of 3 years experience in a computer-related field.

-----  
This document describes the general content of and requirements for the performance of this job, but is not an exhaustive statement of essential functions, responsibilities or requirements. Moreover, the description excludes the marginal functions of the position that are incidental to the performance of fundamental job duties. Employees are expected to follow any job-related instructions and to perform any other job-related duties requested by their supervisor.

Requirements are representative of minimum levels of knowledge, skills and abilities. To perform this job successfully, the incumbent will possess the abilities or aptitudes to perform each duty proficiently. Individuals with disabilities are accommodated in accordance with the Americans With Disabilities Act.

This document does not create an employment contract, implied or otherwise. Employees in this positions are employed "at will."
